New short simple assistant arm for Model Pro 500, 700

We hereby inform you about the change of the simple assistant arm length.

Short simple assistant arm length will be 270 mm.

The sale of the simple assistant arm in the currently available length 320 mm will be terminated when stock is sold out.

The simple long assistant arm (same as for the Model One 100) will not be available for the Model Pro!
